

To be or not to be? That is the question

“

The key to all evolution is variation and when you start to grow tired of what is in the light you must face what is in the dark.

We must understand the dualism that exists in our mind and loose the binary stance of one true right and wrong and one true me and not me.

Shakespeare said: “To be or not to be? That is the question”. I guess he never figured out that nothing is static and everything in this universe is forever becoming. The real question is: “Who am I becoming?”

-Sam Ovens
